

Treatment ABS

Two Section (Adjustable Back Section)

The Athlegen Treatment ABS is suitable for a wide range of modalities, including massage, acupuncture, osteopathy, medical examinations and beauty treatments. The adjustable back section, can be adjusted as required and can be fitted with optional face cradle extensions, face recess hole and armrests

The well proven powerlift design will help to optimise your performance whilst achieving maximum comfort and support for your clients. Combine this with fast quiet height adjustment and you have discovered just a few reasons why this is the perfect table for your practice.

features

- Electric power height adjustment system is driven by a commercial grade linear actuator made in Germany ensuring fast, reliable and vibration free performance.
- Adjustable section feature twin stainless steel control arms which provide extra security, support and rigidity.
- 8 pivot lifting arm mechanism, super strong with self lubricating nylon bushes to ensure smooth and quiet operation.
- Upholstery construction features high quality Australian made cfc free foam rubbers.
- High quality protective coated vinyl with oil resistant properties; durable, with a soft and comfortable feel.
- Choice of table top widths and cushioning constructions so you can customise the treatment area to best suit your needs.
- Heavy duty, industrial quality lockable castors with a chrome housing, steel bearings and a rubber wheel tread.
- Durable powder coated rust resistant frame.
- Heavy duty stainless steel footswitch
- Built to last with very low maintenance.
