

Venus™

The Athlegen Venus is suitable for a wide range of modalities, including massage and beauty treatments. The top configuration is designed so that the motorised backrest automatically tilts the seat, perfect for positioning clients in a totally relaxing reclined/seated position. The adjustable face cradle can be slightly lowered enabling the prone patient to fully relax the neck muscles giving optimum comfort - ideal for massage treatments.

The sturdy design helps to optimize your performance whilst achieving maximum comfort and support for your clients. Combine this with quiet height adjustment and you have discovered just a few reasons why this is the perfect table for your salon or spa.

Shown with optional armrests, body/shoulder supports, and extensible footrest

features

- Electric power height adjustment system is driven by a commercial grade linear actuator made in Germany, ensuring fast, reliable and vibration free performance.
- Power driven back rest and auto tilting seat section can be adjusted effortlessly as required during the treatment.
- 8 pivot lifting arm mechanism, super strong, with self lubricating nylon bushes to ensure smooth and quiet operation.
- Upholstery construction features special high density foam rubbers and incorporates soft edge technology.
- High quality protective coated vinyl with oil resistant properties; durable, with a soft and comfortable feel.
- Unique Access top design allows improved practitioner access during treatments while minimizing fatigue and discomfort.
- Heavy duty, industrial quality lockable castors with a chrome housing, steel bearings and a rubber wheel tread.
- Durable powder coated rust resistant frame.
- Heavy duty stainless steel footswitch
- Built to last with very low maintenance.
