

Ultimate Bobath

Specially designed for treating patients with neurological conditions

Similar to the Neurological Bobath but with a greater lifting capacity, hoist access clearance and increased operational height range.

With a treatment area of 1200mm x 2000mm and low minimum height provides excellent access for patients with limited mobility or for wheelchair transfers.

The electric height adjustment can be quickly set at the touch of a button reducing fatigue or backstrain on the practitioner.

Features

- Electric height adjustment with footswitch
- X-Frame Lift action minimises pinch and crush points
- Heavy duty individually lockable castors
- Durable powder coated rust resistant frame
- High quality anti-microbial vinyl & CFC free foam
- 5 year warranty on frame & electrics
- Australian designed & manufactured

Specifications

- 250kg Maximum Lifting Capacity (moving)
- 400kg Maximum Working Load (stationary)
- 600mm Minimum Height
- 1000mm Maximum Height
- 1200mm Table Width
- 2000mm Table Length
- Heavy duty industrial quality lockable castors
- Available as single section or two section option*

*Two Section manual backrest adjustment +45° (electric backrest model available)
