

Multi Therapy Chair

Ideal for a wide range of Treatments including, Podiatry, Beauty, Massage & Medispa Clinics.

Designed for the budget conscious practitioner looking for a reliable, sturdy chair designed for ultimate client comfort.

The electric seat lift positioning reduces pressure on the client's spine and relieves muscle tension allowing the client to be completely relaxed during injectable procedures.

The chair can quickly and easily convert into a comfortable massage table within seconds making it a complete multifunctional chair to share between practitioners.
