

GP Universal Examination Table

Designed to comply with RACGP recommendations this electric HI-LO examination table fulfils the basic requirements of any General Practice.

The minimum height of 450mm allows for easy access for elderly or incapacitated patients while the maximum height of 950mm can quickly be achieved within 16 seconds.

Ideal for clinics where cubicle space is an issue as each end section can be manually raised to provide a backrest for left or right patient examinations and procedures.

Features

- Electric Height Adjustment with footswitch
- X-Frame Lift action minimises pinch and crush points
- Available with either adjustable feet or castors
- Durable powder coated rust resistant frame
- High quality anti-microbial vinyl & CFC free foam
- 5 year warranty on frame & electrics
- Australian designed & manufactured

Specifications

- 250kg Maximum Lifting Capacity (moving)
- 400kg Maximum Working Load (stationary)
