

Contour Massage Table with Mid-Lift

Ideal for Massage, Chiropractic, Natural Therapies & Body Treatments.

Designed for the budget conscious practitioner looking for a reliable sturdy Australian made powered massage table.

The contoured shape allows maximum accessibility to any part of the body during massage or body treatments. The adjustable face crest with incorporated prone armrest ensures client comfort while allowing the shoulders to be fully relaxed.

The electrically operated mid-lift function can be used as a stretching tool to stretch the clients lower back and side allowing the therapist to perform a greater range of treatments.

Features

- Electric height adjustment with footswitch
- X-Frame lift action minimises pinch & crush points
- Heavy duty independently lockable castors
- Durable powder coated rust resistant frame
- High quality anti-microbial vinyl & CFC free foam
- Australian designed & manufactured
- 5 year warranty on electrics
- Lifetime structural warranty

Specifications

- 250kg Maximum Lifting Capacity (moving)
- 400kg Maximum Working Load (stationary)
- 450mm Minimum Height
- 950mm Maximum Height
- 710mm Table Width (at widest point)
- 1800mm Table Length (1900 with footrest extension fully extended)
- Manual face crest adjustment +15° to -45°
- Footrest extension supplied as standard
- Electrically operated mid-lift function
