

Gynae Examination Table

Designed in conjunction with a Gynaecologist this table provides sufficient and effective pelvic tilt for examining the cervix.

It also aids in the ease of manipulation of speculums.

The low minimum height with no lateral movement allows for easy patient access and transfer while the maximum height can quickly be set to suit the Practitioner's requirements reducing back strain and injury.

Features

- Electric Height Adjustment with footswitch
- X-Frame Lift action minimises pinch and crush points
- Heavy duty individually lockable castors
- Durable powder coated rust resistant frame
- High quality anti-microbial vinyl & CFC free foam
- 5 year warranty on frame & electrics
- Australian designed & manufactured
